

Welbourne Primary Academy SEND Hub for children with ASD

Welbourne Primary Academy is commissioned by Peterborough City Council to host a Special Educational Needs and Disabilities (SEND) hub focussing on ASD. We work to raise the quality of support for all children and young people with SEND in the Peterborough area and to promote the “SEND is Everybody’s Business” approach.

We also offer a small number of hub places for children with Education and Healthcare Plans, placed by Peterborough City Council.

Further information on the Peterborough SEND hub network and details of how children are given a hub place is on the Local Offer
