Meet our Governors

What do our Governors do?

The Role of a School Governor

Our Governors play a full and active role in the life of Welbourne Primary Academy. They work as a team and meet regularly to discuss all aspects of school life. They are responsible for raising pupils' standards of achievement and ensuring the academy provides a good quality education for all.

The Governing Body:

- Monitors schools progress
- Approve budget spending
- Develop and review school policies
- Make key staff appointments
- Ensures the school provides for all pupils

You may see our Governors participating in lessons, attending meetings or visiting the academy for key events.

Governing boards are accountable to parents, the local community and the Thomas Deacon Education Trust and are at the heart of how we operate . Appointments last for four years.

If you would like to contact the Governing Body - correspondence can be sent to Mrs Jan Lowe, Chair of Academy Committee, Welbourne Primary Academy, Goodwin Walk, Werrington Peterborough PE4 6NR or email office@wel.education.
