Club Procedures – illness, accident or emergency

Staff at the club have taken great care in providing safe procedures should your child become ill or need emergency treatment whilst at the club. Most members of the team are qualified First Aiders and hold a current certificate. In the event of a minor injury taking place during club hours, i.e. grazes, bumps etc first aid will be administered. The **Accident book** will be completed and on collection of your child you will be informed of the incident. Should a more serious injury occur necessitating hospital treatment, then an ambulance will be called or your child will be transported to hospital and you will be informed.

Medicines

All prescribed medicines should be clearly labelled and handed to the school office. A consent form for administering medication **MUST** be completed, if any forms are completed incorrectly staff will **NOT** be able to administer medication. We will keep a record of medication given in the **Medicine Administration Log**.

Contact Information

It is extremely important that we have your correct contact numbers whilst your child is in our care. If your child is unwell whilst at the club, or in the event of an emergency we will need it to contact you immediately. It is also useful to have the name of another family member or friend as a standby in case we cannot contact you. **It is also essential that you provide a password on your child's registration form.**

Booking a place for your child

To apply for a place at either of the clubs, please complete the **Registration forms** enclosed. These should be returned to the school office to allocate a place when available. Your child(ren) will be unable to start unless the correct registration process and forms have been completed.

Please do not make any bookings through the online payment system until a place has been confirmed. If sessions are booked and payment made through the cashless system, bookings will be removed by office staff, and you will be informed to complete the correct registration process.

Welbourne Primary Academy Early Birds and Late Owls Arrival and Collection of Children

Our club welcomes each child on arrival and ensures that they are escorted to classrooms after Early Birds and they safely arrive at Late Owls.

1. Arrival at Early Birds Breakfast Club

- 1.1 Children attending Early Birds Breakfast Club will be brought in by their parent/carer during the agreed booked sessions.
- 1.2 It is the responsibility of the parent/carer to ensure that their child has arrived safely at Early Birds and is escorted by themselves to the main hall entrance.
- 1.3 Each child is recorded on the day's register along with the time of their arrival by a member of staff.

2. Departure from Early Birds to Class

- 2.1 All pupils are escorted to their classrooms in school by Early Birds staff and handed over to the care of their class teacher.

3. Collection from Class to Late Owls After School Club

- 3.1 A member of the after school team will retrieve the daily list and make their way to each classroom to collect children. Care is then transferred to Late Owls After School Club staff and each child is recorded on the daily register.

- 4.1 Once the activity has finished the Adult running the club will ensure pupils are taken to Late Owls. Care is then transferred to Late Owls staff and each child is recorded on the register.

5. Departure of children from Late Owls

- 5.1 When a child is collected and leaves the Club they are to be signed out by the authorised person collecting the child and the time collected should also be recorded.
- 5.2 If the authorised parent/carer is unable to collect their child, they must inform the club which named adult will be collecting the child. Both the parent/carer telephoning and the person collecting the child will be asked the previously agreed personal password for the child. **It is therefore essential that we have a current password for your child.**
- 5.3 The club will reserve the right to ask for I.D. from an authorised person collecting a child.
- 5.4 Under no circumstances will a child be allowed to leave with anyone other than those named on the Registration Form, unless the parent has given instructions. If there are queries regarding this a member of school staff will contact the parent/carer to discuss the situation with them.
- 5.5 Late collection of a child after 4.00pm & 5.45pm will be recorded on the day's register and an additional charge of £1 per every five minutes per child will come into force.
- 5.6 If a child is not collected and the parent/carer is unable to be contacted, the other contact names on the child's Registration Form will be called to arrange for them to collect the child. If no one on the child's Registration Form is contactable then the Emergency Procedure for uncollected children will be put into effect by Late Owls Staff and Designated Child Protection Officer.

Welbourne Primary Academy Late Owls Uncollected Children Policy

Welbourne Primary Academy makes certain that all steps are undertaken to safeguard and promote every child's welfare. Late Owls After School Club will ensure that all children are collected by a parent or carer at the end of every session in accordance with the club's Arrivals and Collection of Children Policy. If a child is not collected and the parent or carer has not contacted the School, then the following procedures will come into operation:

Procedure Up to 6:00pm

All uncollected children are taken to the Reception Office and a member of Late Owls will try to contact the parent or carer using the contact details held on file.

When the parent or carer arrives they will be reminded that they must contact the School if they are going to be delayed. Please do not contact the school office as it is closed at this stage, contact should be made using the mobile number 07783203529. Messages should never be left on the school message line as these will not be dealt with until the following morning.

The parent or carer will be informed that the penalty charge of a £1 for every five minutes late per child has come into force.

Two members of staff will remain with the child at all times.

Procedure between 6:00pm and 6:15pm

A member of Late Owls will continue to try to contact the parent or carer using the contact details held on file. If there is no response messages will be left on the phone. Staff will try to contact any other emergency contacts listed on the Registration forms.

When the parent or carer arrives they will be reminded that they must contact the School if they are going to be delayed. If the school office is closed at this stage, contact should be made using the mobile number provided above. Messages should never be left on the school message line as these will not be dealt with until the following morning.

The parent or carer will be informed that the penalty charge of a £1 for every five minutes late has come into action.

Two members of staff will remain with the child at all times.

Procedure after 6:15pm

If parent or carer has not been contacted by this point the Head Teacher will be informed and if deemed appropriate will contact the local Social Care Team for advice.

The child will remain at school until care is transferred to a parent, carer or the Social Care Team. A note will be left on the Reception front door giving a contact number for the parent or carer to use and a message will be left on their phone explaining what actions have been taken.

Persistent Lateness

The Late Owls Supervisor will monitor cases of persistent lateness and will talk to parents or carers about this. If they collect their child late on three occasions they will receive a written warning. If lateness continues their child may lose their place at Late Owls. *If after three occasions, for safeguarding purposes this will be logged and social care may have to be contacted.*

Out of School Club Activities

The Club is part of Welbourne Primary Academy. All staff are appropriately qualified and have had DBS checks.

The Club is run on a reasonable ratio of adults to children. A First Aider will always be present at each session. All of these contribute to making a high standard of working practice.

All children are escorted to the After School Club room for each session. Access for parents to the activity room is through the side gates to the right of the school. Although we operate from the After School Club Room classroom we will also access the Reception Classroom, school hall, school field and garden, trim track and the community kitchen.

Activities

Varied activities are on offer each day with lots of opportunities to both learn AND have fun.

Activities include:

- Painting
- Craft
- Sewing
- Building
- Sports
- Computers
- Cooking

Weather permitting, we may go outside:

- On the Key Stage 2 playground
- The trim track
- The grassed area outside the club room

Children take an active role in planning and helping to organise activities in the club and staff are always available to help with homework.

Food and drink

The club has a policy of encouraging children to eat healthily. However, this does not mean that if your child does not like what is on offer that they will go without. Alternatives will always be available within reason. Children are actively encouraged to contribute to menu choices and make healthy choices.

Breakfast

Breakfast is provided between 7.45am and 8.30am. This will consist of fresh fruit, cereal, toast, bagels, spreads and fruit juices, this may vary from day to day. We are currently sponsored by Magic Breakfast.

After school

During the afternoon session drinks and snacks will be offered. A small healthy snack and drink will be offered. A more substantial snack will be offered after 4.30pm. Water is available throughout the session.

Late Owls	
Snack on arrival	Fruit
Snack (4.30pm onwards)	Sandwiches Fruit Bagels Wraps Yoghurt

Behaviour

We follow the school's behaviour policy and actively encourage the children to:

- Do your best in everything you do
- Be thoughtful, kind and forgiving to those around you
- Show respect to adults in the club and listen to what they have to say
- Think before you speak and act
- Look after the room and equipment
- Help to tidy away
- Treat everyone's property with care
- Be calm and sensible when in the club room

We will always promote positive behaviour through encouragement, a willingness to listen and setting a good example.

Unacceptable behaviour will be dealt with in an understanding manner giving opportunity for explanation, reflection and apology. If a child's behaviour is persistently unacceptable, we will talk to parents and if necessary a place at the club may be withdrawn. Please see the school behaviour policy for further information.

Child Protection

In accordance of principle 5 of the act, your photo will not be published on the internet without your consent

All information and records given to the club are treated confidentially but are open to inspection by OFSTED. It may be helpful for parents to know that we are required to report any obvious or suspected cases of child abuse - which includes non-accidental injury, severe physical neglect, emotional abuse and/or sexual abuse. This procedure is intended to protect the children at risk and we are encouraged to take the attitude that where there are grounds for suspicion it is better to be safe than sorry. This does not mean that we would risk upsetting the parents by reporting a case, which on investigation proves unfounded. In such cases it is hoped that parents appreciate how difficult it is for us to carry out this delicate responsibility, and accept that we would only act in what we believed to be the child's best interest.

Safety and Insurance Protection

The club staff are acting in "Loco parentis" which means they are required to show the same degree of care for the children as a responsible parent would show their own child.

The main door into the club will be locked during the breakfast and after school clubs hours, unless during warm days then the main gate will be locked to prevent access. With the fence surrounding the school it is now a very safe place for your child/children. Only known adults will be allowed entry unless prior notification is given.

A fire drill will be carried out with the children so they are aware of the procedure.

The children's safety is taken into account when planning all activities and all staff will be made aware of all risks and procedures. As with all clubs we are covered by liability insurance.

Registration

The registration form is valid for 1 academic year, or for the period of time your child attends this setting if shorter. All consents for images and recordings will have been recorded during your child's admission forms for school enrolment.
