Computing and Online Safety 23-24

Year 1

Autumn A	Computing systems and networks – Technology around us	Self-Image and Identity and Online Reputation
Autumn B	Programming A – Moving a robot	Online Bullying and Online Relationships
Spring A	Creating Media – Digital painting	Health Wellbeing and Lifestyles 1 Computing Lesson
Spring B	Data and information - Grouping data	Managing Online Reputation
Summer A	Programming B – Introduction to animation	Privacy and Security
Summer B	Creative Media – Digital Writing	Copyright and Ownership 2 Computing Lessons

Year 2 Computing and Online Safety

Autumn A	Computing systems and networks – IT around us	Self-Image and Identity and Online Reputation
Autumn B	Programming A – Robot algorithms	Online Bullying and Online Relationships
Spring A	Creative Media – Digital photography	Health Wellbeing and Lifestyles 2 Computing Lessons
Spring B	Data Information - Pictograms	Managing Online Reputation
Summer A	Programming B – An introduction to quizzes	Privacy and Security4 Computing Lessons
Summer B	Creative Media – Making music.	Copyright and Ownership 1 Computing Lesson

Year 3 Computing and Online Safety

Autumn A	Computing systems and networks – Connecting computers	Self-Image and Identity and Online Reputation
Autumn B	Programming A Sequence in music	Online Bullying and Online Relationships
Spring A	Creative Media – Desktop publishing	Health Wellbeing and Lifestyles
Spring B	Data and Information – Branching databases	Managing Online Reputation 2 Computing Lessons
Summer A	Programming B - Events and actions	Privacy and Security 1 Computing Lesson
Summer B	Creative Media - Animation	Copyright and Ownership 1 Computing Lesson

Year 4 Computing and Online Safety

Autumn A	Computer systems and networks - The Internet	Self-Image and Identity and Online Reputation 1 Computer Lesson
Autumn B	Programming A - Repetition in shapes	Online Bullying and Online Relationships
Spring A	Creative Media – Photo editing	Health Wellbeing and Lifestyles
Spring B	Data and Information - Data logging	Managing Online Reputation
Summer A	Programming B - Repetition in games	Privacy and Security
Summer B	Creative Media – Audio editing	Copyright and Ownership 2 Computer Lessons

Year 5 Computing and Online Safety

Autumn A	Computing systems and networks - Sharing information	Self-Image and Identity and Online Reputation 1 Computer Lesson
Autumn B	Programming A – Selection in physical computing	Online Bullying and Online Relationships
Spring A	Creative Media – Vector drawing	Health Wellbeing and Lifestyles
Spring B	Data and Information – Flat-file databases	Managing Online Reputation 2 Computer Lessons
Summer A	Programming B – Selection in quizzes	Privacy and Security 1 Computer Lessons
Summer B	Creative Media – Video editing	Copyright and Ownership 2 Computer Lessons

Year 6 Computing and Online Safety

Autumn A	Computing systems and networks - Communication	Self-Image and Identity and Online Reputation
Autumn B	Programming A – Variables in games	Online Bullying and Online Relationships
Spring A	Creating Media – 3D Modelling	Health Wellbeing and Lifestyles
Spring B	Data and Information - Spreadsheets	Managing Online Reputation 2 Computer Lessons
Summer A	Programming B - Sensing	Privacy and Security
Summer B	Creative Media – Web page creation	Copyright and Ownership 2 Computer Lessons

Online Safety is also taught within other subjects.
