School Trips

Wednesday 7th June

Year 5/6 Football Team at Gladstone Primary Academy

Tuesday 13th June

Safer Internet Award Winners Day

Wednesday 14th June

Year 3/4 Football Team at Gladstone Academy

A note from Miss Lawson

Yet again, the last half term has gone by in a flash and we are looking forward to the events that we have planned over the remaining summer term.

I would like to take this opportunity to say a big well done to our Year 6 and Year 2 children that have completed their SATS tests this month. They have worked hard and shown great resilience in completing the tests and demonstrating their amazing learning. We are all very proud of their hard work and dedication.

This term we will be implementing our new positive behaviour expectations which are linked to our school rules. A copy of this document is attached and can be found on our school website. This makes our behaviour expectations very clear and links to our reward system. Your children work very hard in all aspects of school life and this will help to ensure we have consistent, high expectations for adults and children at school and home.

To support this work, we are looking at ways to improve our emotional intelligence and have introduced a 'feeling of the week'. It is sometimes very difficult to explain how we may be feeling at points in the school day and we want to ensure that the children have an extensive vocabulary to express their feelings.

If you have any questions or queries, please be in touch.

Miss T Lawson

TDET 300 Stories Project

As part of our TDET 'Acts of Kindness' celebrations we are seeking support from any ex-students/staff of our schools who can support with brief stories and (importantly) photos of memories of their time at the school. If you could help with this then please complete the following link [Microsoft form](#). This is a quick and simple way for people to give a brief outline of their memories and attach any scanned images. If anyone would like to hand in old photos for us to scan, then this can happen by dropping in photos to the office and we can scan for people. Thank you for your support with this.

Rounders tournament

Congratulations to our rounders team that took part in a Soke Rounders tournament. Out of 7 teams that took part, the team finished third! All of the children displayed some super striking, scoring plenty of rounders. The hard work shown within lessons allowed them to do Welbourne proud!

World Bee Day

Reception looked fantastic all dressed up to celebrate World Bee Day. They were busy bees making bee relating crafts developing their fine motor skills. The children made collage flowers using bright colours, cut and stick bees and developed their maths knowledge when making honey sandwiches.

Sacrewell Farm

Reception went on an exciting trip to Sacrewell Farm where we looked, touched and watched farm animals. We learnt about what they eat and some of their key features. We also went pond dipping, we looked at which insects and minibeasts live in a pond, some of us even caught small fishes.

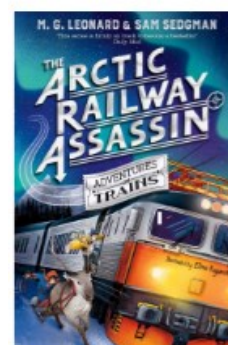

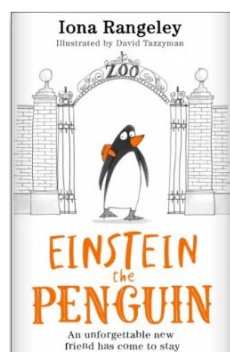

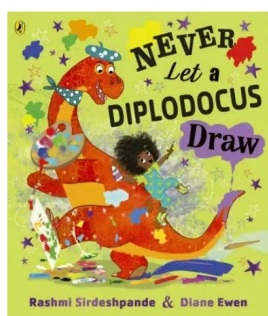

Reading for Pleasure

As a school, we are encouraging all members of our school community to read for pleasure. Reading books aloud to children stimulates their imagination and expands their understanding of the world. It helps them develop language and listening skills and prepares them to understand the written word.

Even after children learn to read by themselves, it's still important for you to read aloud together. By reading stories that are on their interest level, but beyond their reading level, you can stretch your child's understanding and motivate them to improve their skills. For further support please visit the website link below.

[Reading with Your Child](#) | [Reading Rockets](#)

We have also included some of our recommended reads which can all be loaned from school. Please enquire with your child's class teacher.

Reception

What would happen if you showed a diplodocus how to draw? One day she'd be messing around with crayons and paint – and the next she'd be a global art sensation!

Year 1 and 2

Einstein the Penguin introduces an unforgettable new character in a future-classic and fantastically funny debut for all the family to enjoy. Get ready to welcome the most extraordinary penguin into your own home...

Year 3 and 4

Mystery-lover Libby is excited but nervous when she's sent to live with her aunt while her mother is working abroad. Her aunt is arrested, accused of a daring jewel robbery. Can Libby and her new best friend Connie find the real thief and save her aunt?

Year 5 and 6

This latest full throttle mystery invites readers onboard a train journey through the never-ending night of the arctic winter towards the Arctic Circle and Northern Lights. The clues and red herrings unfold and the high spirit of adventure and atmospheric setting are enough to set imaginations tingling just as much as detective senses.
