Monday 22nd January 2023

Dear Parent/Carer,

Year 3 Maths Booster

We would like to invite your child to attend an after-school **Maths Booster** club with Miss Fisher and Miss Greer.

This booster club is due to commence on Thursday 25th January from 3.00pm – 4.00pm and will run every week until the end of the academic year.

We will be focusing on arithmetic methods and practicing skills which have been learned in class, to try and help deepen our mathematical understanding. The sessions will benefit your child with additional support in maths and help them to understand the concepts that they may find difficult during class.

If you would like your child to attend, we ask for you to access your ParentPay account to update your consent by no later than Wednesday 24th January.

Yours sincerely,

Miss Fisher
Class 3 Teacher
